TREE...**

YOU DO IT FOR THE NEXT GENERATION

"The Sioux gates my dad bought
are now 40 years old. I won't have
to replace them and I doubt my
sons will either."

Sioux Steel Company (the "Company") warrants to the original purchaser that the livestock gates labeled through the Company's "Lifetime Guarantee Gate Program" (the "Gates") are free from defects in material and workmanship for the life of the original purchaser. The "Sioux Steel Guaranteed Gate" sticker and/or the notch located where the chain hooks onto the gate must be present on the gate in order to qualify for the lifetime warranty. No individual or entity, including

the selling dealer, is authorized to make any statements or assume for the Company any liability relating to or arising from the product or its use that varies from the express terms of the Limited Lifetime Warranty. EXCLUSIONS: The Limited Lifetime Warranty does not cover and the Company is not responsible for: (i) modification or alteration of the Gates; (ii) cosmetic damage, normal wear and tear or damage that does not hinder the functionality of the Gates,

LIFETIME GATE WARRANTY

If a gate is ever damaged so that it cannot be used for its intended purpose, we will repair or replace at no charge to you, our customer. If a gate is hit with a loader or backed into with a truck/tractor, the gate has to be damaged to the point that it cannot be used as a gate to hold cattle, sheep, hogs or any other livestock. This is not a scratch or dent cosmetic warranty, it's a pass or fail warranty as to the functionality of the gate.
