

# GRAIN BIN GAZEBOS

Enjoy The Outdoors and Entertaining Family & Friends  
**IN A GRAIN BIN GAZEBO!**

## FEATURES

- 4" corrugated galvanized wall steel.
- Wall sheets and stiffeners are manufactured with 70,000 psi tensile strength steel.
- 30-Degree Roof Slopes - Sheds moisture fast off of roof panels.
- 4" Roof Ribs - This makes the bin roof more resistant to high winds and larger snow loads.

## AVAILABLE SIZES
